

# Safari Count Around the Path

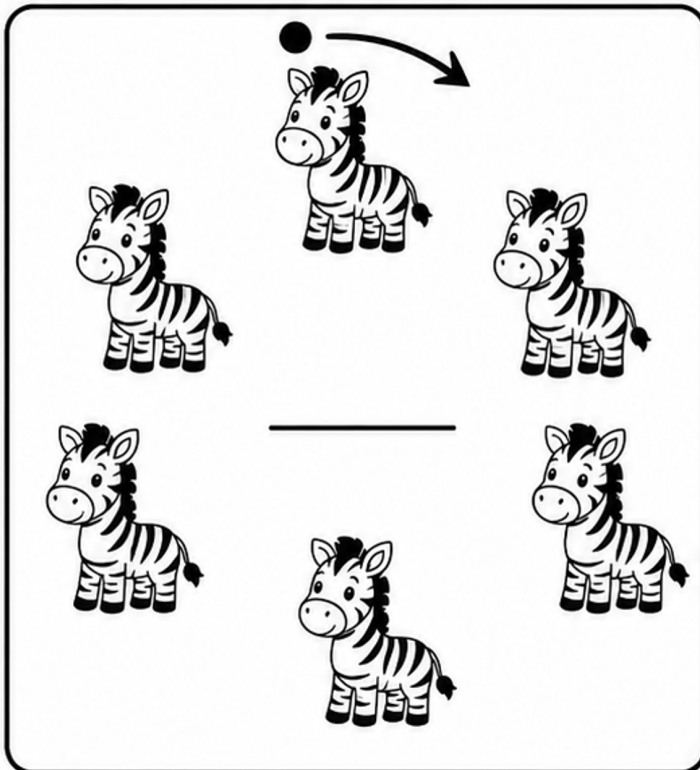

Start on the dot and count around. Write the total on the line.

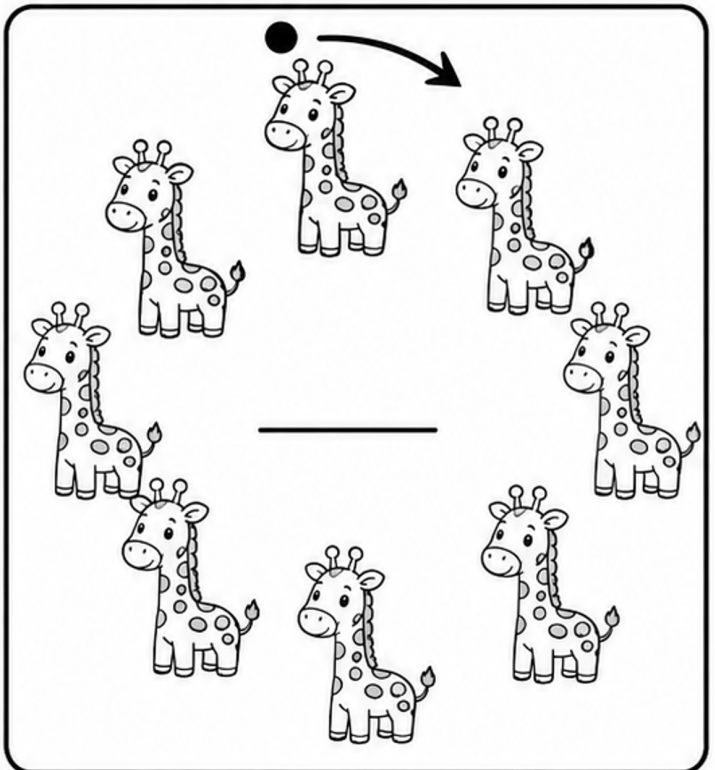

A rectangular box containing five line drawings of lions. One lion is at the top center, with a black dot above it and a curved arrow pointing to the right. Below this lion is a horizontal line for writing. Two lions are on the left side, and two are on the right side of the box.

A rectangular box containing five line drawings of elephants. One elephant is at the top center, with a black dot above it and a curved arrow pointing to the right. Below this elephant is a horizontal line for writing. Two elephants are on the left side, and two are on the right side of the box.

A rectangular box containing five line drawings of zebras. One zebra is at the top center, with a black dot above it and a curved arrow pointing to the right. Below this zebra is a horizontal line for writing. Two zebras are on the left side, and two are on the right side of the box.

A rectangular box containing seven line drawings of giraffes. One giraffe is at the top center, with a black dot above it and a curved arrow pointing to the right. Below this giraffe is a horizontal line for writing. Two giraffes are on the left side, and three are on the right side of the box.
